3. Verified statement

The U.S. application was filed on March 20, 2001. A corresponding international application under the Patent Cooperation Treaty was filed on March 19, 2002. We did not recognize the error until May 21, 2002, whereby a Request to Withdraw Request for Non-Publication of Application was prepared and filed immediately on the same day. A copy of the Request is attached.

The entire delay in failing to notify the U.S. Patent and Trademark Office of the filing of a corresponding application under the Patent Cooperation Treaty from the due date to the filing of this Petition was unintentional.

If there are any other fees due in connection with the filing of this response, including any fees required for an extension of time under 37 CFR § 1.136, such an extension is requested, and the Commissioner is authorized to charge any related fees to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,  
GARRETT & DUNNER, L.L.P.
